

Ref. 0711005

Polyester/Carbon Fiber Glove with Polyurethane Coating - GLOVA

COMPOSITION:

- Grey polyester and carbon fiber support coated with white polyurethane;

FEATURES:

- Seamless support;
- Coated on the palm and fingertips;
- Elastic cuff;
- Breathable back;
- Contains carbon fibers that aid in the dissipation of static electricity;

GAUGE:

- 13;

RECOMMENDED FOR:

- Electronic components; Microprocessors; Handling delicate parts;

BRAND: GLOVA

Standards:

EN 16350-2014 ELECTROSTATIC

EN 388-2016+A1-2018 3131X

IEC EN 61340-5-1-2016

Pictograms:

Product Data:

Sizes

5, 6, 7, 8, 9, 10

Packaging

12 Par(es) por Pack / 120 Par(es) por Cartão

Type

Riscos mecânicos

Applications

Componentes eletrónicos;
Microprocessadores; Manipulação de
peças delicadas;

Composition

Poliéster e fibra de carbono revestida a
poliuretano

Datasheet Version
